—C. O. VanCamp was in town, Saturday, and seemed to have as much business on hand as a cranberry merchant.

—We are glad to learn that "Uncle Jacob" Rayhill, who has been so alarmingly ill at Edgingham, Kas., is now much better.

—James Carder and wife, of St. Joseph, spent Sunday with Mrs. C's mother, Mrs. "Kate Seeman, brother George and other relatives.

—Lee Foster and Amos Weis, of near Robinson, Kas., were over for a few days, visiting with former chums. They say everything is lovely over their way.

—E. L. Bucher and wife are now located in San Diego, Cal., and are now that his health is improving, which will be good news to his many friends here.

—Charles Narans, carrier on route No. 5 out of Oregon, reports all but about two miles of the roads on his route have been dragged, and are in most excellent condition.

—Bushton, Kas., a village of 133 population, was partly destroyed by a tornado which swept over Stafford and Rice counties Thursday evening of last week, April 12th.

—On April 14th the U. S. church, near Frank Louck's was slightly damaged by a lightning bolt. The shingles were torn from a goodly portion of the roof and otherwise damaged.

—Samuel Spurrier and daughter, Miss Anna, are inmates of the Holbrook Sanatorium at Bethany, Mo. Miss Annie having been stricken with lung trouble on arrival at the home. Both are somewhat improved.

—Lightning killed a horse for Charley, son of Judge Henry Wright, on Thursday of last week, 12th inst. Frank Gibson and John Wright, were near by and were considerably stunned by the shock. John Nossaman, Jr., had a horse killed and barn destroyed by lightning at the same time.

—Fritz Seeman, but don't call him by the name of Fritz in Red Oak, Ia., where he is now located, was here over Sunday, the guest of his mother, brother and sister. He is in need of money of the largest publishing establishments in that city, and says they are doing a fine business.

—Well, it looked "kinder" natural to see Ben Molter on our streets, Sunday last. Ben says that Ciel, Seth and Miss Eda are well, and are getting along fine in St. Joseph. We would like to get a glimpse of "Whiskers" once again. Come up, Old boy, and see your old friends, the rest of the family comes up occasionally—try and do likewise.

—The funeral services of Mrs. John A. Dooley were conducted from the family home, Dexter, Ia., at 3 o'clock Sunday afternoon, April 8th. Seven of her 10 children were in attendance. She was 78 years of age. She had been a member of the Christian church since its organization. She was an aunt of Ellen O'Fallon and a stepmother of the late S. P. Dooley, of Forest City.

—Miss May Hensler and mother have removed from the Mrs. C. W. Pierce property into the S. M. Kuley property. James Eddy and family have removed from the Ball (now C. J. Hunt) property into the Molter property. We understand that Mrs. H. L. Allen will break up housekeeping, as her boys will work on farms during vacation.

—The rural mail carriers out of our city are trying a new plan. They have made arrangements with our livery firm to supply them with horses and to take care of their carts, they to pay the liveryman so much a month for this service. It relieves them entirely of the care of a team and, it is thought, will be much cheaper. The experiment is to be tried by the carriers for a year.

Clyde McWilliams, the rural mail carrier out of Forbes, is now laid up for repairs, and it isn't on account of that new baby down at his house, either. The river has been making such inroads on his father's land of late, that it became necessary to move the old home, and while doing this a stairway fell, and inflicted such a scalp wound, that Clyde now looks as if he had been in the prize ring and had met Jeffries.

—Again there comes before our people for political recognition, another of Holt county's splendid young men. Harry M. Dungan, one of our very brightest young attorneys announces himself this week, as a candidate for the office of prosecuting attorney. He is in every respect an ideal young man, and will make an ideal candidate, as well as a vigorous, earnest, pushing prosecutor. He is a graduate of the State University law school, and has been in active practice since graduation, coming here from Nodaway county. No party makes a mistake when it nominates such capable, clean, manly young men for public office.

—The mask has been removed from that arch deceiver, Hiram Hershberger, formerly of this city, but now a resident of Eskridge, Kas. He has always posed, in fact, claimed and asserted in no uncertain tones that HE was a young man—that he was not nearly so old as his relatives and friends would make it appear. Well to use a slang phrase, "the stuff's off" now, and here's the proof to prove that HE is not as young as he claimed: Born, to Roscoe Hershberger and wife, of Eskridge, Kas., April 3, 1906, a son. And now it is Grandpa Hiram Hershberger. We extend congratulations to all concerned, and a hip, hip, hurrah, for Grandpa Hiram.

—The Fudge Club gave another of their delightful receptions at the Lawn hotel Friday evening of last week. The club is composed of a coterie of as clever, happy joyous young people as ever grew in a little town, and they are getting so much real pleasure out of this good old world of ours, and we are not only proud of these splendid young people, but are delighted to see them enjoy themselves so greatly. The hostess of the hotel served an elegant repast and did her part fully to make the evening pleasant for the young people. Cards, music and other pleasures were indulged in until a reasonable hour. The club is composed of Misses Mary Moore, Tot King, Zinna and Alberta Bragg, Dale Zeller, Mary Zook, Ina and Mae Bodkin, Anna Curry and Messrs. Harry Pollock, Sherman Hibbard, Don Hunt, Johnson Rayhill, Harold Kahn, Wesley Markt, Barney Noland, Alpha Hayden and Harold Hoffman.
